

A Night of Golf with the Portable Golf Simulator

Tailor an evening to attract customers to your business and showcase your products and services in a fun and entertaining way.

- ▷ Simulator hosted by a PGA Professional who can improve technique, give tips and advice to all who would like it
- ▷ True-to-life stroke play
- ▷ State-of-the-art tech with high quality graphics
- ▷ Live leader board with headshots
- ▷ Optional add-ons: MC, entertainment, celebrity hosting

This is the ultimate tailored golf simulator experience!

- ▷ When getting to the course is too hard, let us bring the course to you.
- ▷ The simulator technology gives you real golfing experience as you use real clubs and balls. Clear graphics and sounds create true golfing conditions that give you that on course feel.

Competitions:

- ▷ **Nearest the Pin**
- ▷ **Longest Drive**

Many famous courses to choose from!

Grab this opportunity & make your night an occasion to remember.
